June 15, 2021

Dean K. Moos
Director Reclamation Division
North Dakota Public Service Commission
600 E Boulevard Ave, Dept. 408
Bismarck, ND 58505-0480

Dear Mr. Moos:

Attached are the responses to the technical review dated June 14th, 2021, of the application for Revision 33 (Renewal 7) to permit KNSB-8603. Also, associated changed sections of the permit have been electronically copied (via *Dropbox*) for your review. Please feel free to contact me should you have any questions.

Sincerely,

Jesse Noel, P.E.
Director, Environmental & Regulatory
U.S. Operations
Westmoreland Mining LLC

**Comment/Response to June 14, 2021 PSC Letter
Technical Review of Revision 33**

Table of Contents

1. Revision No. 32 is listed at the top of page 1 of the Revision No. 33 Table of Contents. Please correct this error. (GAW)

Response: The Table of Contents has been updated.

2. Please review the Table of Contents to ensure that it includes all changes included with Revisions 32 and 33. The List of Revised Information indicates that the Table of Contents has not been updated since the sixth submittal of Revision 32 and it does not contain the June 2, 2021 Revision 32 changes. (GAW)

Response: The list of Revised Information has been updated.

Section 1.1 – Application and Support Documents

3. Please update the Revision 33 Summary and the Listing of Revised Information on pages 68 and 69 of Section 1.1 so that it includes the May 14, 2021 response which denoted with an asterisked 8. The updated version was included as a stand-alone document with the third submittal. (GAW)

Response: Pages 68 and 69 of Section 1.1 have been updated.
