Case No. PU-21-101

On April 23, 2021, Montana-Dakota Utilities Co. (Montana-Dakota) participated in an Informal Hearing with the North Dakota Public Service Commission (Commission) on the February 2021 Extreme Weather Event, Montana-Dakota's purchasing strategy, and the pricing associated with the weather event.

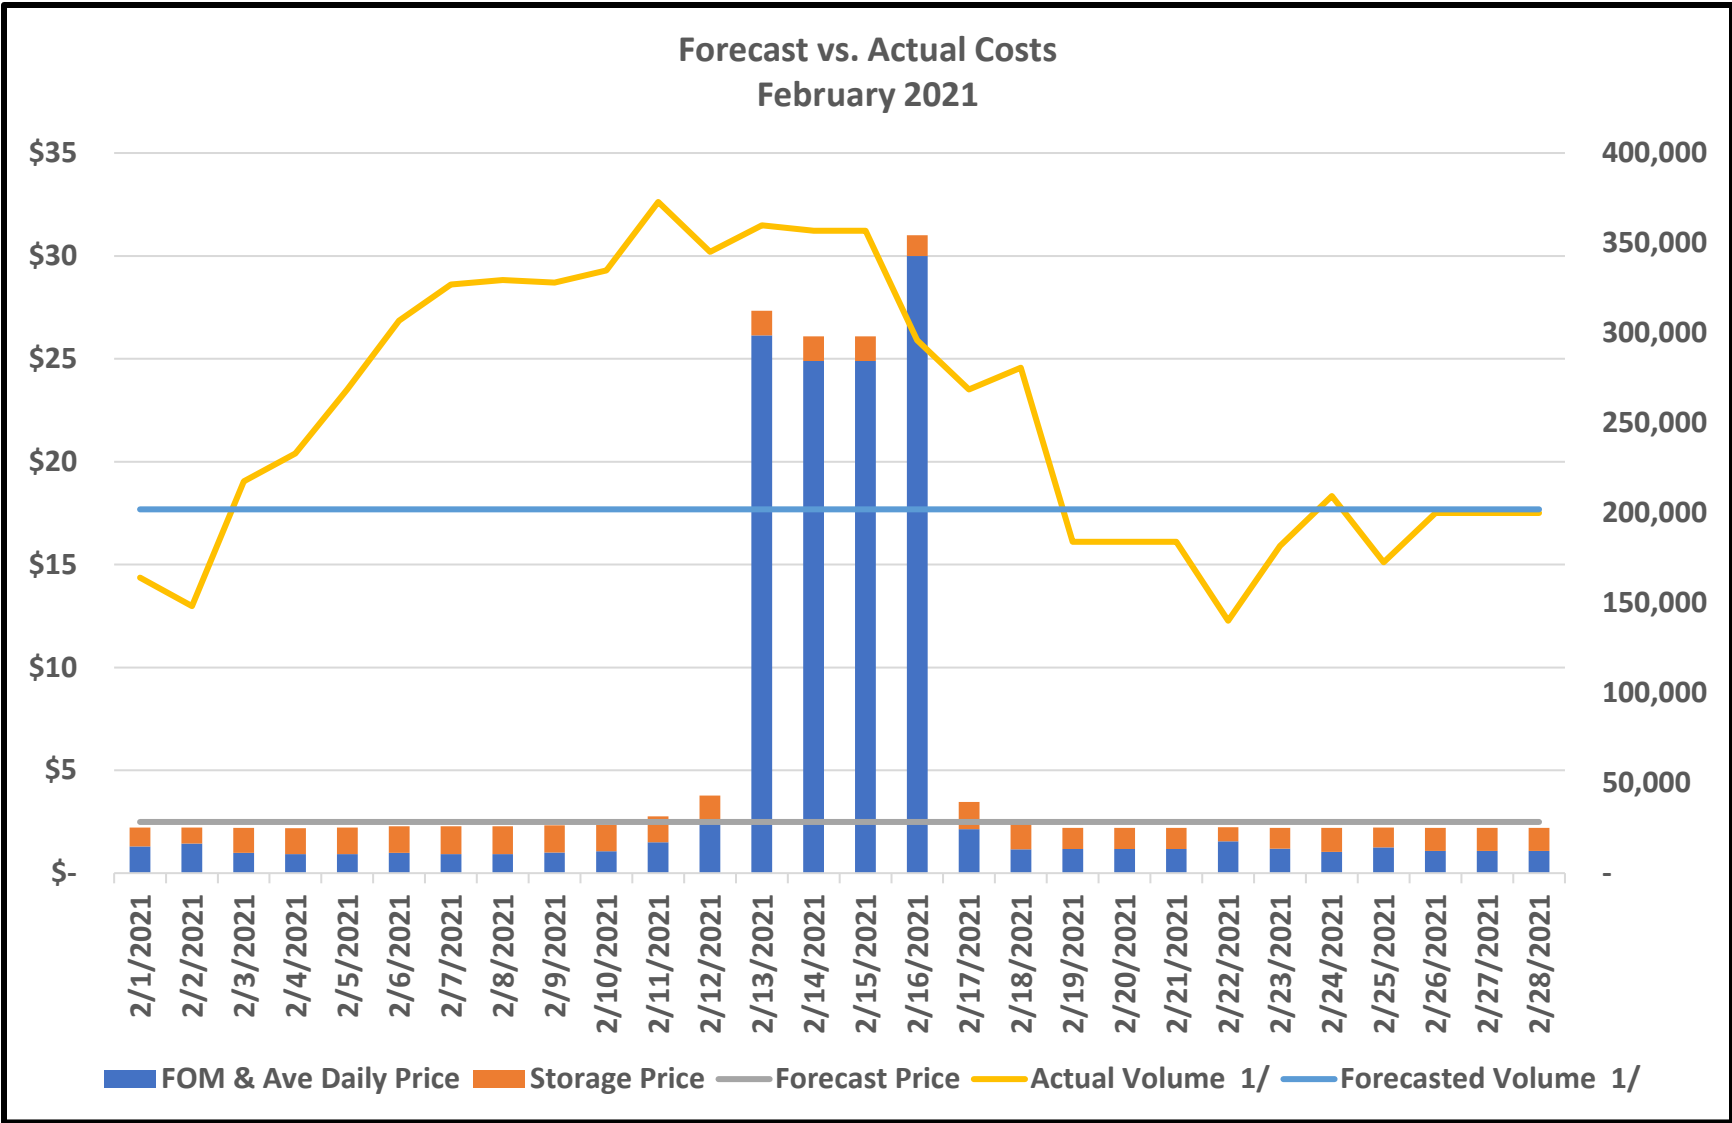

Exhibit 1 shows the Commission requested information comparing the actual daily commodity costs and the forecasted commodity cost of \$2.49.
