Dear Ms. Flath

This is to inform you of the September 22, 2021 approval of Revision No. 33 to Permit No. NACT-8601 held by the Coteau Properties Company for the Freedom Mine. Revision No. 33 deletes all 772.4630 acres from this permit and transfers all reclamation liabilities on this acreage to Permit No. NACT-1801 for the Freedom Mine. This action effectively terminates Permit No. NACT-8601.

This permit revision was found to be an insignificant alteration to Permit No. NACT-8601 and was not subject to the public notice requirements. Commission approval was required for the revision because of the acreage deletion.

Enclosed is the original revision award form. Please contact us with any questions.

Sincerely,

Dean K. Moos

Dear Mr. Wickstrom:

This is to inform you of the September 22, 2021 approval of Revision No. 33 to Permit No. NACT-8601 held by the Coteau Properties Company for the Freedom Mine. Revision No. 33 deletes all 772.4630 acres from this permit and transfers all reclamation liabilities on this acreage to Permit No. NACT-1801 for the Freedom Mine. This action effectively terminates Permit No. NACT-8601.

This permit contained 320 acres of leased federal coal; however, all marketable coal has been mined and the coal lease has been released by BLM. This revision was found to be an insignificant alteration to Permit No. NACT-8601 and was not subject to the public notice requirements. Commission approval was required for the revision because of the acreage deletion.

Enclosed is a copy of the revision award form. Please contact us with any questions.

Sincerely,

Dean K. Moos
