**RE: Bowman Wind, LLC's Application for a Certificate of Site Compatibility for the
Bowman Wind Project, Bowman County, North Dakota
Case No. PU-21-121**

Dear Mr. Kahl:

North Dakota Public Service Commission ("Commission") Staff has requested that Bowman Wind, LLC ("Bowman Wind") provide the Commission with an update on the status of Bowman Wind's conditional use permit ("CUP") application for the Bowman Wind Project ("Project") pending before Bowman County. Bowman Wind recently learned that a public hearing on the CUP application will be held on July 7, 2022, and it is our understanding that a decision on the CUP application would be issued that day. Bowman Wind will provide the Commission with additional updates after July 7, 2022.

An electronic copy of this letter was filed with the Commission today via e-mail, and an original and one (1) copy of this letter were sent to the Commission via Federal Express.

If you have any questions, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Mollie M. Smith".
