

STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION

Bowman Wind, LLC
Bowman Wind Project – Siting Application
Bowman County, North Dakota

Case No. PU-21-121

Motion to Consider Post-Hearing Filings

Pursuant to N.D.C.C. § 28-32-25, Bowman Wind, LLC (Bowman Wind) hereby moves that the North Dakota Public Service Commission (Commission) consider additional post-hearing filings in the above-referenced case. Specifically, Bowman Wind requests that the Commission consider proposed Late-Filed Exhibit Nos. 37 – 41:

- Late-Filed Exhibit Nos. 37 and 37(a): A copy of the conditional use permit approved by Bowman County on July 7, 2022 for the Bowman Wind Project (Project).
- Late-Filed Exhibit Nos. 38 and 38(a): A copy of a good neighbor agreement that contains a waiver of the avoidance area sound level requirement, signed by the owners of the one residence with sound levels modeled above 45 A-weighted decibels.
- Late-Filed Exhibit Nos. 39, 39(a), and 39(b): An update regarding the current Project layout and Project Area, an updated figure showing the current Project layout and Project Area, and an updated comparison figure. The Project layout has been updated to remove turbines T18 and T18a and battery storage. The Project Area has been updated to reflect the current participation status.
- Late-Filed Exhibit No. 40: A statement that Bowman Wind is removing battery storage from its Certificate of Site Compatibility Application for the Project.
- Late-Filed Exhibit No. 41: An update regarding the specifications for the turbines under consideration.

The information is relevant and competent, as it provides an update to testimony presented at the public hearing and addresses Commission comments made at the public hearing.

For the reasons set forth above, Bowman Wind respectfully requests that its motion be granted and that the Commission consider proposed Late-Filed Exhibit Nos. 37 – 41.

Dated this 15th day of July, 2022.
