Docket No. PU-21-121

Late-Filed Exhibit No. 38 – Update Regarding Waiver of Avoidance Area Sound Level Requirement

Bowman Wind, LLC has secured a good neighbor agreement that contains a waiver of the avoidance area sound level requirement, signed by the owners of the one residence with sound levels modeled above 45 A-weighted decibels (Receptor R-148). A copy of the memorandum of agreement is provided herewith as Late-Filed Exhibit No. 38(a).
