

Bowman Wind, LLC  
Bowman Wind Project  
Docket No. PU-21-121

**Late-Filed Exhibit No. 40 – Removal of Battery Storage**

Bowman Wind, LLC (“Bowman Wind”) provides this update to inform the North Dakota Public Service Commission (“Commission”) that Bowman Wind will not construct battery storage as part of the Bowman Wind Project (“Project”). Therefore, Bowman Wind removes battery storage from the facilities for which it is seeking approval from the Commission in its Certificate of Site Compatibility Application for the Project. If Bowman Wind decides at a future date to install battery storage at the Project site, it will obtain all applicable approvals.
