58104

The "Applicant" requests permission to construct 1 approaches on the Bowman County Highway right of way along the South side of Route 87th St SW in Adelaide Township

(Direction) (No.) (Location from Town, Highway, Junction)

described as follows: Permanent Approach for Substation

(Description of proposed work on County right of way, and type of business served)

Note: Approach will be added in Adelaide Township, Bowman County, North Dakota

I, as the owner/contractor/applicant of the above mentioned property/project, agree to construct the approach for the property noted above, as required by the Bowman County Road Superintendent which are attached to this permit. I also agree that if I don't follow the standards, Bowman County shall give a thirty (30) day notice to get the approach built to standards. If this is not done, Bowman County may construct the approach, as needed, and charge all costs to the owner/contractor/applicant, also understand that any future maintenance cost for this approach shall be my responsibility. I affirm that I am the landowner or that I have all necessary permissions and/or easements to construct the approach in the location described.
