Dear Ryan,

We have reviewed the additional information sent regarding the addendum for turning radii locations for this project within one section in Bowman County. It is our determination that the significant site would not be adversely affected by this project as long as the measures of avoidance, fencing, and monitoring follow what is discussed in the report "Addendum to Bowman Wind, LLC Cultural Resource Inventory Access Road Project Turning Radii Locations Bowman County, North Dakota."

Thank you for the opportunity to review this project under North Dakota cultural resources consultation. This letter does not serve as federal agency consultation or SHPO consultation for compliance with Section 106 of the National Historic Preservation Act of 1966, as amended, (36 CFR Part 800), or the National Environmental Policy Act, as amended, (42 U.S.C. §§ 4321- 4347).

If you have any questions, please contact Lorna Meidinger, Lead Historic Preservation Specialist at [lbmeidinger@nd.gov](mailto:lbmeidinger@nd.gov) or (701) 328-2089.

Sincerely,

for William D. Peterson, PhD
