Dear Mr. Schock:

On the incident in question, I, Patrick Berdahl of Dirty Birds, LLC, a hydrovac company, was inside the Crestwood Plant with Crestwood Representatives present. I was told buy the Loenbro foreman that I was clear to slot trench the proposed pipeline route. In doing so, I hydrovaced a Kinder Morgan line.

2 days later, I exposed 4 ft. of the Kinder Morgan line with their representative present to determine that no damage had occurred.

Sincerely,

Patrick Berdahl
