ND SHPO Ref.: 23-0043, New Leipzig coal fire in portions of [T134N R90W Section 26] Grant County, North Dakota

Dear Joan,

We have reviewed ND SHPO Ref.: 23-0043, New Leipzig coal fire in portions of [T134N R90W Section 26] Grant County, North Dakota. If consulted by a federal agency we would concur with a determination of "No Adverse Effect" for this project provided it avoids 32GT138, maps attached, and takes place in the location and manner described in the documentation. Should the fire spread, there are additional known sites approximately 0.75-1 mile away that should be avoided.

Thank you for the opportunity to review this project. If you have any questions please contact Lorna Meidinger, Lead Historic Preservation Specialist at (701) 328-2089, e-mail lbmeidinger@nd.gov.

Sincerely,

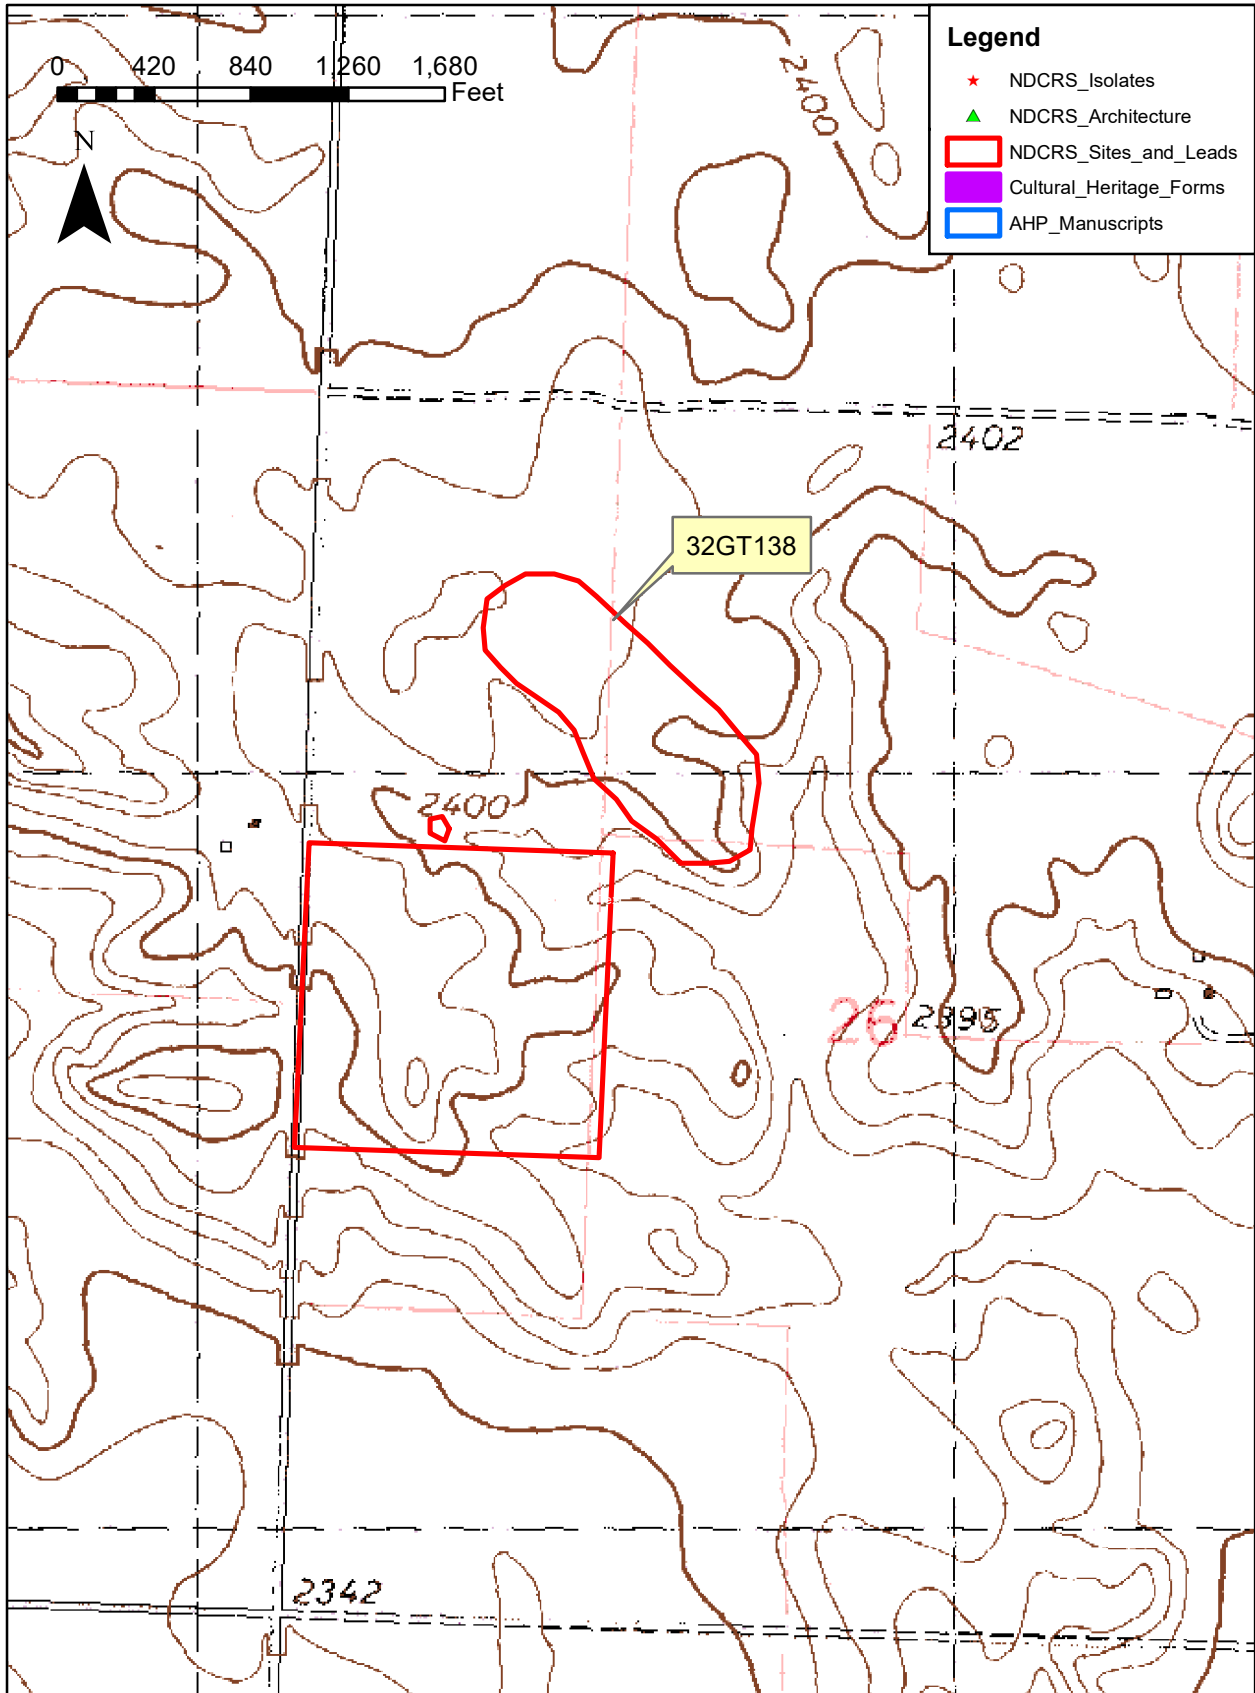

for William D. Peterson PhD
