Re: Case No. PU-21-151
Application for Corridor Certificate
and Route Permit

Montana-Dakota Utilities Co. ("Montana-Dakota" or "Company") electronically submits this Withdrawal of Waiver of Procedures and Time Schedules of specific Sections of North Dakota Century Code Chapter 49-22.

In the Company's April 19, 2021 Application, Montana-Dakota requested a waiver of specific Sections of North Dakota Century Code Chapter 49-22. Pursuant to additional conversations with Commission Staff, Montana-Dakota no longer finds it necessary to request those waivers and therefore now withdraws the previously requested waivers.

The Company requests the Commission continue to proceed on its Application for Corridor Certificate and Route Permit in absence of the previously requested waivers.

If you have questions, please contact me.

Sincerely,

/s/ Travis R. Jacobson
