**LATE-FILED EXHIBIT NSP-19**

Northern States Power Company (the “Company”) submits this late-filed exhibit to provide the Commission with additional information it requested regarding the status of the MISO process for the retirement of Sherco Unit 2. The Company submitted its Attachment X generation replacement filing to MISO on December 28, 2022. In an August 8, 2023 e-mail, MISO confirmed that it had received the request, indicated it was currently reviewing the application, and stated it would inform the Company if any further information is required prior to setting up a kick-off meeting.
