Bond Release No. 3, Permit NAFK-8405  
Application

Case No. RC-21-221

**MOTION**

**April 13, 2022**

I move the Commission approve Bond Release No. 3 to Surface Coal Mining Permit NAFK-8405, held by the Falkirk Mining Company for the Falkirk Mine, to release all reclamation liabilities on 92.3 acres of land located in portions of Sections 23 and 24, T146N, R82W, McLean County. No monetary release is being requested since the current bond amount is based on the worst-case reclamation condition for this permit and others at the Falkirk Mine. This release will become effective May 13, 2022, unless a formal hearing is requested, in Falkirk Mining Company, Bond Release No. 3, Permit NAFK-8405, Application, Case No. RC-21-221.
