**PUBLIC SERVICE COMMISSION**

**Public Service Commission  
Tand Construction, LLC

**Case No. PU-21-319**

**ORDER ON CONSENT AGREEMENT**

**October 20, 2021**

**Preliminary Statement**

On July 9, 2021, the Commission received a ND One-Call Complaint (Complaint) from West River Telecom alleging a violation by Tand Construction, LLC (Tand) of North Dakota Century Code (NDCC) chapter 49-23: One-Call Excavation Notice System.

On July 12, 2021, the Commission sent a letter to Tand enclosing the July 9, 2021, Complaint, requesting a response by July 26, 2021.

On July 22, 2021, Tand responded to the Complaint.

On September 7, 2021, a Consent Agreement between Public Service Commission Advocacy Staff (Advocacy Staff) and Tand was filed for the resolution of the Complaint.

**Discussion**

Tand is a domestic limited liability business with a principal address of 1916 40th Ave SE, Mandan, ND 58554-4632.

On November 4, 2020, Tand began an excavation as defined in NDCC section 49-23-01(7) while performing sewer line work at Stanton, ND. The excavations performed by Tand damaged West River Telecom's fiber optic telecommunications cable in six locations. The damage was estimated at \$11,129.67. Six telecommunications customers were affected by the incidents.

The Complaint alleges that Tand violated NDCC section 49-23-05(5) by failing to conduct the excavations in a careful and prudent manner.

NDCC section 49-23-05(5) provides that to avoid damage and to minimize interference a ticket holder shall "Conduct the excavation in a careful and prudent manner."

Having investigated the alleged violations, Advocacy Staff believes that Tand violated NDCC section 49-23-05(5) in six separate instances between November 4, 2020, and November 16, 2020.

Tand and Advocacy Staff engaged in good faith settlement discussions resulting in a Consent Agreement intended to avoid further administrative proceedings or litigation.

Under the Consent Agreement, Tand agrees to be assessed a civil penalty of \$3,000. Tand agrees to remit \$1,500 of the \$3,000 payable to the North Dakota Public Service Commission within ten business days of service of an Order accepting the Consent Agreement.

Having considered this matter, the Commission finds the Consent Agreement is reasonable and acceptable. Therefore, the Commission issues the following:

### Order

The Commission Orders:

1. The Consent Agreement between Tand and Advocacy Staff filed with the Commission on September 7, 2021, is approved. A copy of the Consent Agreement is attached to and made a part of this Order on Consent Agreement (Order).
2. Tand is assessed a civil penalty of \$3,000 with \$1,500 suspended, on the condition Tand commits no further violations of the NDCC 49-23 within five years of the date of the Order.
3. In the event the Commission finds Tand violated the NDCC section 49-23 within five years of the date of the Order, Tand shall remit the suspended portion of the penalty \$1,500, within the time ordered by the Commission, in addition to any additional fines or penalties imposed for the subsequent violation.

Preliminary Statement

This Consent Agreement is entered into by and between Tand Construction, LLC (Tand) and the Public Service Commission Advocacy Staff (Staff) (together, the "Parties") for resolution of Docket No. PU-21-319.

On July 9, 2021, the Commission received a ND One-Call Complaint from West River Telecom. The complaint alleged violations by Tand of North Dakota Century Code section (N.D.C.C.) 49-23-05(5) for failure to conduct its excavations in a careful and prudent manner.

N.D.C.C.49-23-05(5) provides that to avoid damage and to minimize interference a ticket holder shall "Conduct the excavation in a careful and prudent manner."

Having investigated the alleged violations, Staff believes that Tand violated

N.D.C.C. 49-23-05(5) in six separate instances between November 4, 2020 and November 16, 2020.

Tand and Staff engaged in good faith settlement discussions resulting in this Consent Agreement. Having agreed that settlement of this proceeding will avoid further administrative proceedings or litigation and that entry of this Consent Agreement is the most appropriate means of resolving this administrative action, Staff and Tand agree to the following, subject to the approval and acceptance of the Commission:

1. Tand violated N.D.C.C. 49-23-05(5) by failing to conduct its excavations in a careful and prudent manner.
2. Tand agrees to be assessed a civil penalty of \$3,000. Tand agrees to remit \$1,500 of the \$3,000, payable to the North Dakota Public Service Commission within ten business days of service of an Order accepting or approving the Consent Agreement (Order). The remaining \$1,500 civil penalty is suspended on the condition that Tand commits no further violation of NDCC section 49-23 within five years of the date of the Order.
3. In the event the Commission finds Tand violated the NDCC section 49-23 within five years of the date of the Order, Enyweh shall remit the suspended portion of the penalty, within the time ordered by the Commission, in addition to any additional fines or penalties imposed for the subsequent violation.
4. If within five years of the date of the Order there is no subsequent violation of the NDCC section 49-23 by Tand, the remaining \$1,500 penalty is withdrawn.

5. Staff agrees no other proceeding will be initiated and no other remedy or penalty will be sought based on the violations alleged in the Case.
6. Tand consents to the filing of the Consent Agreement and an Order in the Cases and hereby waives any further procedural requirements with respect to the Order's issuance. Provided the Public Service Commission adopts this Consent Agreement and issues an Order consistent with it, Tand understands and agrees to waive all rights to contest the violation, the right to be represented by counsel, the right to present evidence and arguments to the Commission, the right to cross examine witnesses, or contest the validity of this Consent Agreement and Order Adopting this Consent Agreement, including all rights to administrative or judicial hearings or appeals.
7. There are no covenants, promises, undertakings, or understandings other than specifically set forth in this Agreement and Order.
8. This agreement may be executed in counterparts and duplicate copies, each which shall be deemed to be an original, and which, when taken together, shall constitute one and the same instrument.
9. The undersigned is authorized to act on behalf of Tand and bind Tand for purposes of this Consent Agreement, and knows and fully understands the content and effect.
