RE: Response to Compliance Filing
Northern States Power Company
2021 Natural Gas Rate Increase
Application
Case No. PU-21-381

On October 31, 2022, Northern States Power Company (NSP) filed tariffs, rates and supporting workpapers in compliance with the commission's Order dated October 27, 2022. The filing planned an effective date of November 1, 2022 for the final rates.

Staff has reviewed the filing to ensure that the new tariffs and rates will increase revenues by \$5.074 M in compliance with the settlement agreement and Commission Order, and that changes in the tariff language are reasonable and appropriate. Staff believes that NSP's filings comply with the Commission's Order and settlement agreement.
