Thank you. The public notice for Bond Release No. 2 to NACT-9501 will have to be extended an additional week since the map was not published during the first week.

Jonathon,

I noticed that as well. I have been in contact with the Beulah Beacon, and the map will be published with the remaining three weeks of publication.

Thank you for keeping an eye out.

Rylan,

I was in Beulah yesterday and I looked through the public notices in September 8, 2022 edition of the Beulah Beacon. The public notices in the Beulah Beacon did not have the map associated with Bond Release No. 2 to NACT-9501.
