PUBLIC SERVICE COMMISSION

Montana-Dakota Utilities Co.  
NG Distribution System – Cass and Richland  
Public Convenience & Necessity

Case No. PU-21-386

NOTICE OF OPPORTUNITY FOR HEARING

February 23, 2022

On September 10, 2021, Montana-Dakota Utilities Co. (MDU) filed an application for a Certificate of Public Convenience and Necessity to construct and operate a natural gas distribution system to portions of Cass and Richland Counties in North Dakota.

On January 28, 2022, MDU filed an amendment to its application. The amendment reduces the proposed natural gas distribution service area to the city of Kindred, ND and its environs.

The issues to be considered in this matter are:

1. Is there a need for the service?
2. Is MDU technically, financially, and managerially fit and able to provide the service?
3. What is the effect on other public utilities providing similar service?
4. Is the proposed service adequate?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by March 23, 2022.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
