**Re: Project: Dickinson Diesel Facility Wind Project – Stark County
Case No.: PU-21-445**

On December 3, 2021, OEE XXXI LLC filed an application for a Certificate of Site Compatibility for the Project enumerated above. The application included a check in the amount of \$12,000 for the application fee, however, applications must also include a Siting Administrative Fee as discussed below.

The 67th Legislative Assembly enacted section 49-22-22(4) to the North Dakota Century Code which provides, "Every applicant under this chapter shall pay to the commission an administrative fee equal to one hundred dollars for each one million dollars of original investment, not to exceed twenty-five thousand dollars. The administrative fee must be deposited in the public service commission program fund."

For the Project investment estimated to be \$24 million, the Siting Administrative Fee would be \$2,400.

Please make the check payable to the Public Service Commission.
