RE: Case No. PU-21-445
OEE XXXI LLC
Dickinson Diesel Facility Wind Project-Stark Cty
Siting Application

The Public Service Commission Staff is reviewing OEE XXXI, LLC's application. Staff is requesting that the company reply to the following requests for additional information:

1. Please describe the location where the company intends to bore a collection line underneath the Burlington Northern Santa Fe railroad, and all locations where the company intends to bore underneath the Heart River. If the location is not visible from one of the Figures, please supplement with another map set to prevent confusion.
2. Please update Tables 4.1-1 and 4.2-1 of the application to include whether Exclusion and Avoidance Areas are located in either the Study Area (i.e., where a desktop analysis was conducted) or the Survey Area (i.e., where a pedestrian survey was conducted).
3. Please send notice of the application to all state agencies and officers entitled to receive notice of your application per NDAC section 69-06-01(05) that have not been sent such notice.
4. Please file a copy of the Stormwater Pollution Prevention Plan.

If you have any questions, please contact me at (701) 328-4153.

Best regards,

Adam Renfandt
Analyst, Public Utilities Division
