Re: Fuel and Purchased Power
Adjustment
Case No. PU-22-011
November 2022

Montana-Dakota Utilities Co. (Montana-Dakota) electronically submits its Fuel and Purchased Power (F&PP) adjustment pursuant to its Rate 58.

Exhibit A, page 1 summarizes the fuel and purchase power adjustment calculated pursuant to the terms of Rate 58 that will apply during the month of November 2022. Pages 2 through 4 show the calculation of the adjustment which is based on a four month historical average cost of fuel and purchased power.

The net effect of this F&PP adjustment is a decrease of 0.187 cents per kWh for primary service customers and a decrease of 0.189 cents per kWh for secondary service customers for service rendered in the month of November 2022 from current effective rates as shown below. The per unit decrease was largely the result of a per unit decrease in MISO market prices.

	Primary	Secondary
F&PP Effective November 1, 2022	\$0.02325	\$0.02465
F&PP Effective October 1, 2022	0.02512	0.02654
Change	(\$0.00187)	(\$0.00189)

The current and historical Fuel and Purchased Power Adjustment for primary and secondary service customers can be found by selecting the Fuel and Purchased Power Adjustment link at <https://www.montana-dakota.com/rates-services/rates-tariffs>.

All of Montana-Dakota's retail electric customers in North Dakota may be affected by this proposal. There were 93,621 electric customers in North Dakota as of September 30, 2022.

In response to Paragraph No. 11 of NDAC Section 69-09-02-39, Montana-Dakota purchases natural gas used for electric generation from its own gas operations or transports natural gas purchased from others under the applicable gas tariff approved and on file with the Commission in the state where the purchase is made or the transportation occurs. Montana-Dakota also has an agreement with its own gas operations associated with the pipeline utilized to transport firm natural gas service to the Heskett III Station pursuant to the order in Case Nos. PU-14-108 and PU-14-109.

Montana-Dakota will submit the \$50.00 filing fee following this filing.

Montana-Dakota respectfully requests this electronic filing, in lieu of an original and two (2) physical copies, be accepted as being in full compliance with the filing requirements of this Commission.

If you have any questions regarding this filing, please contact me at (701) 222-7855 or Travis.Jacobson@mdu.com.
