Case No. PU-22-20

NOTICE OF OPPORTUNITY FOR HEARING

January 18, 2022

Under the federal Telecommunications Act of 1996, Qwest Corporation, dba CenturyLink QC, (CenturyLink) is required to provide open access to its networks, facilities and services to other providers of telecommunications services, such as competitive local exchange carriers (CLECs). Measures known as Performance Indicator Definitions (PIDs) provide specific data about the quality of the open access provided by CenturyLink to other carriers, and a Performance Assurance Plan (PAP) applies specific standards or goals that the performance measures must accomplish.

On January 6, 2022, CenturyLink filed an application with the Commission for approval to eliminate the PIDs and PAP. The proposed elimination was prompted by the Federal Communications Commission's UNE Modernizing Forbearance Order. CenturyLink is requesting, effective February 1, 2022, approval of the elimination of PIDs and PAP from all interconnection agreements in North Dakota. And that existing interconnection agreements be modified to eliminate the PIDs and PAP without the need for further filings or approvals.

The issues to be considered in this matter are:

1. Whether the elimination of PIDs and PAP should be approved.
2. Whether all existing interconnection agreements with CenturyLink should be modified to eliminate the PIDs and PAP without the need for further filings or approvals.

The Commission has authority under N.D.C.C. §49-21-09 and N.D.C.C. § 49-21-01.7(9) to approve or disapprove PID or PAP changes. PID and PAP revisions take effect, without Commission action, 60 days after the date they are filed with the Commission, but the Commission has authority to review PIDs or PAP at any date before or after the revisions take effect.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by March 4, 2022.** If deemed appropriate, the Commission can determine the matter without a hearing.
