

LOGAN COUNTY ZONING COMMISSION

PETITION FOR CONDITIONAL USE PERMIT

The undersigned, owner(s) of, (agent) for the property described below, do hereby petition to receive a conditional use permit for: Construction of the Badger Wind projects components located in Logan County, North Dakota

Legal description of property and number of acres:
A listing of all sections within the project area is included in the Application for a Wind Energy Facility Siting Permit/Conditional Use Permit in Section 4.1.1. The project area within Logan County consists of 23,761 acres.

Describe briefly the purpose for this use:
In addition to its current agricultural use, the site will be used as a wind energy facility. More details are included in the Wind Energy Facility Siting Permit/Conditional Use Permit.

Describe or list the uses within 1/2 mile of this site (attach a drawing from the latest plat book):
The primary use of the land within 1/2 mile of the site is agricultural, and the wind project is located an Agricultural District.

Describe the layout of the land, access point and the utilities on or near the site:
Full details and maps of the land and utilities are included within the Wind Energy Facility Siting Permit/Conditional Use Permit.

I further state that if this request is granted, I will abide by all conditions set forth by the Zoning Commission. Site plan and documents and other information required are attached.

Existing zoning: Agricultural Existing use of property: Agricultural
