BADGER WIND TEN YEAR PLAN, LOGAN AND MCINTOSH COUNTIES, NORTH
DAKOTA

We have reviewed your February 23, 2022, letter.

This project should have no adverse effect on the North Dakota Department of Transportation
highways.

However, if because of this project any work needs to be done on highway right of way,
management documents will need to be obtained from the Department of Transportation District
Engineers, Larry Gangl, Bismarck at 701-328-6951, and Jay Praska, Valley City at
701-845-8816.
