Badger Wind Project  
Docket No. PU-22-86

**Late-Filed Exhibit No. 34 – McIntosh County Weed Board Information**

At the June 28, 2022 public hearing, Badger Wind, LLC (“Badger Wind”) agreed to provide documentation regarding whether Badger Wind was required to obtain approval from the McIntosh County Weed Board (“Weed Board”) of its Reclamation and Weed Management Plan (“Plan”) (Appendix I to the Certificate of Site Compatibility Application, BW Exhibit No. 1).

Badger Wind has provided the Plan to the Weed Board and has been in communication with Weed Board officials regarding the Plan. In an email from Rebecca Andrew (Secretary/Treasurer of the Weed Board), with Mark Pfeifer (Chair of the Weed Board) copied, Ms. Andrew stated that she is not aware of any requirements that the Weed Board would need to approve the Plan. The email exchange is included as Late-Filed Exhibit No. 34-A. The Weed Board discussed the Plan during its meeting in early August 2022 but did not require approval of the Plan.
