Continental Resources, Inc.

Lawrence Bender, Fredrikson&Byron, P.A.

SETBACK WAIVER

Continent Resources, Inc. ("Continental") intends to install a natural gas transmission pipeline within five hundred (500) feet of an inhabited residence located on the property situated in Williams County, North Dakota, more particularly described as:

Township 156 North, Range 99 West of the 5th P.M.
Section 27: SE¼NE¼

(the "Property").

Under North Dakota law (North Dakota Century Code § 49-22.1-03 and North Dakota Administrative Code § 69-06-08-02), certain geographical areas are designated as "avoidance areas" that shall not be considered in the routing of a transmission facility unless there is no reasonable alternative. One such geographical avoidance area is the area within five hundred (500) feet of an inhabited residence.

By signing this setback waiver, you, as owner of the inhabited residence on the Property, acknowledge that you do not object to the placement of Continental's natural gas transmission pipeline within five hundred (500) feet of said residence.

Dated this 7 day of June, 2022.
