RE: Revision 42 to Permit NAFK-8405

Dear Zanna Brinkman:

We have reviewed Falkirk Company's application for revision number 42 to Surface Coal Mining Permit NAFK-8405. We have no objection to the revision which proposed to add 3,359.7 acres located in the portions of Sections 1, 2, 3, and 5, T146N, R82W; and Sections 33, 34, 35, and 36, T147N, R82W, McLean County and will expand the permit area to the north for coal mining and support activities.

At this time, the Division of Water Quality has no further comments regarding this revision.

Sincerely,

Dallas Grossman  
Environmental Engineer  
Division of Water Quality
