Case No. PU-22-147

NOTICE OF ISSUES AND REQUEST FOR COMMENT

Oct. 3, 2022

On September 7, 2022, the Commission issued a Notice of Public Hearing regarding the electrification of transportation at **2:00 p.m., Central Time on November 3, 2022, in the Commission Hearing Room, 12th floor, State Capitol, Bismarck, North Dakota.**

Based upon previous filings, the Commission identified interest in the following issues for additional comment:

1. Whether ownership of electric vehicle charging stations should be permitted by regulated utilities. If permitted, under what conditions?
2. What should the Commission consider regarding unfair competition between third-party charging entities and regulated utilities?
3. Should the Commission consider special tariffs or rates for residential electric vehicle charging?
4. Whether the Commission should consider pilot programs in anticipation of the electrification of the transportation sector? If so, what pilot programs?
5. What is the anticipated distribution system impact from residential and fleet charging?

Participants will be permitted to provide oral comments on the listed issues and the greater electrification of the transportation sector during the public hearing. The Commission will receive written comments through November 14, 2022.
