NOTICE OF OPPORTUNITY FOR COMMENT

May 4, 2022

On March 29, 2022, Cable One VoIP LLC (Cable One) filed an application with the Commission, under 47 U.S.C. section 214(e)(4) and 47 C.F.R. section 54.205, requesting relinquishment of its designation as an eligible telecommunications carrier (ETC). Cable One was designated as a Lifeline-only ETC for the purpose of receiving federal universal service support for providing low-income services in North Dakota and for the purpose of receiving rural digital opportunity Phase I funding.

Under 47 U.S.C. section 214(e)(4) and 47 C.F.R. section 54.205, the Commission shall permit a carrier to relinquish its ETC designation for an area served by more than one eligible telecommunications carrier. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the state commission shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The state commission shall establish a time, not to exceed one year after the state commission approves such relinquishment under this section, within which such purchase or construction shall be completed. Cable One indicates it has no subscribers in North Dakota.

The Commission will receive written comments in this proceeding until close of business on June 6, 2022.
