So there are 50 newspapers that would be going in and it would be easier to run that Monday through Saturday all in one week. So if you sent me the notice next week on Wednesday, April 13, 2022 I would be able to run it April 18- April 23. 20 days after that would be May 13th.

Good Morning Hannah,

Please help us determine our Public Hearing date for a proposed Rule change we will be proposing on April 13, 2022.

The Abbreviated Notice must be published in all county newspapers to allow at least 20 days between the publication of the Notice and the date of the Public Hearing.

If we sent the request to publish on Wednesday, April 13th, what would the closest date that we could have that Public Hearing?

Your assistance with this would be greatly appreciated Hannah!

John

Good morning Hanna,

Since the hearing isn't until May 26th we should still have time to allow at least 20 days between the publication of the Notice and the date of the Public Hearing.
Could you please confirm that, according to the publication dates available for Carrington?

Thanks,
John
