Re: Publishing of public notice

As was requested, the North Dakota Newspaper Association scheduled and ordered the insertion of your public notice into the requested official county papers.

The Minot Daily News did not publish the administrative rules notice as requested on April 18, 2022. The notice was printed on May 13, 2022 but that is less than the 20 day period required.

Technically, you did your part by requesting the notice be published. NDCC 28-32-10 (a) states "the agency shall request publication. . ." The old language was "must be published". So, your department is covered according to the current law.

Please feel free to contact Sarah Elmquist Squires, NDNA Executive Director with any further questions.

Thank you.
