On May 11, 2022, Commission Staff sent a letter to Eatherly enclosing the April 13, 2022 Complaint, requesting a response by May 26, 2022.

On May 24, 2022, Staff received a request from counsel for Eatherly requesting an extension on the response deadline. Both Eatherly and Public Service Commission Advocacy Staff agreed to extend the response deadline to June 3, 2022.

On June 3, 2022, Eatherly responded to the Complaint.

Eatherly Constructors, Inc. is a foreign corporation with a principal address of 1810 Boots Road, Garden City, KS 67846.

On June 9, 2021, Eatherly provided an excavation notice to the North Dakota One-Call Notification Center (NDOC). NDOC assigned locate ticket number 21060828 to the excavation notice. The work was for waterline installation along State Highway 200 between Cummings, North Dakota and Hillsboro, North Dakota.

On June 11, 2021, HTC responded to the locate ticket indicating their underground facilities were marked.

On June 19, 2021, Eatherly was conducting an excavation as defined in N.D.C.C. § 49-23-01(7) while performing rural water line installation south of the intersection of State Highway 200 and 6th Street Northeast near Cummings, North Dakota. At approximately 4:00 PM, Eatherly struck HTC's fiber optic cables resulting in 60 customers being affected. Eatherly notified HTC of the damage and HTC arrived at the site of the strike at 5:40 PM.
