Application

Case No. PU-22-194

NOTICE OF PUBLIC HEARING

December 14, 2022

Please take notice that beginning on **May 1, 2023, at 8:30 am central time** the Commission will conduct a **Public Hearing** in the Commission Hearing Room on the 12th floor of the State Capitol at 600 East Boulevard Ave. in Bismarck, North Dakota

On May 16, 2022, Montana-Dakota Utilities Company (MDU) filed with the Commission an increase in rates for electric service. MDU's proposed rates would result in an increase in its annual North Dakota electric service revenue of \$25,365,558 or 12.3 percent. Interim rates subject to refund were approved on July 14, 2022.

The issues to be considered in this matter are:

1. What is the value of MDU's property, used and useful, for the service and convenience of the public in North Dakota?
2. What is MDU's rate of return on its property, used and useful, for the service and convenience of the public in North Dakota?
3. What is a just and reasonable rate of return on MDU's property, used and useful, for the service and convenience of the public in North Dakota?
4. What rates and charges are necessary to provide a just and reasonable rate of return on MDU's property, used and useful, for the service and convenience of the public in North Dakota?
5. Are MDU's rate schedules designed in such a manner that they result in a basis of charge to its customers that is just and reasonable without discrimination?
