RE: Response to Compliance Filing
Montana-Dakota Utilities Co.
2022 Electric Rate Increase
Application
Case No. PU-22-194

On June 12, 2023, Montana-Dakota Utilities Co. (MDU) filed tariffs, rates and supporting workpapers in compliance with the commission's Order dated June 6, 2022. The filing planned an effective date of July 1, 2023, for the final rates.

Staff has reviewed the filing to ensure that the new tariffs and rates will increase revenues by \$15.3 M in compliance with the settlement agreement and Commission Order, and that changes in the tariff language are reasonable and appropriate. Staff believes that MDU's filings comply with the Commission's Order and settlement agreement.
