RE: Revision 12 to Permit NACC-1302

Dear Zanna Brinkman:

We have reviewed Coyote Creek Mining Company's application for revision number 12 to Surface Coal Mining Permit NACC-1302. We have no objection to the revision which adds design information for three sedimentation ponds (P24-05, P24-06, and P25-03); modifies post-mine topography in Sections 6 and 7, T142N, R88W, and Sections 1, T142N, R89W; and updates or modifies other sections of the permit.

At this time, the department has no further comments regarding this revision.

Sincerely,

Dallas Grossman
Environmental Engineer
Division of Water Quality
