desirae@braatenlawfirm.com

Dear Ms. Zaste:

Coyote Creek Mining Company has filed an application for Revision No. 12 to Surface Coal Mining Permit No. NACC-1302 at the Coyote Creek Mine. Revision No. 12 adds design information for three sedimentation ponds, P24-05, P24-06, and P25-03. The revision also modifies the post-mine topography in Sections 6 and 7, T142N, R88W; and Section 1, T142N, R89W. Additional updates or modifications to the permit include introductory, legal, financial, compliance information, environmental, operation plans, and reclamation sections.

A copy the permit revision application is enclosed. A permit Table of Contents is accessible from the web browser home page. Please refer to pages 34 through 35 of Section 1.1.2 (Revision Summary Pages) for a list of Revision No. 12 proposed changes. The public comment period for Revision 12 ends on August 29, 2022.

Please contact our office with any questions.

Sincerely,

Zanna Brinkman
Director
Reclamation Division
