The earliest I could run this would be next week on 09/08 for Beulah and I could run it in Bismarck any day next week starting on 09/06. I would need the notice and have the order placed by 09/01 this week.

Hannah,

What would be the earliest date to get the Notice published in both of those newspapers one time. It wouldn't have to be published twice like Rules case Notices.

Thanks,
John

I guess I should have written that tear sheets won't be necessary, outside of your normal practice of sending the Affidavit of Publication with tear sheets and the Invoice like you usually do.

Thanks,
John

Not a problem! If for whatever reason the notices or ads don't run we contact the customer immediately and if you would like Tearsheets sent along with the affidavit we can do that too.

One more request Hannah,

Could you please send me a confirmation of publication?
If the two newspapers don't get it published on time for whatever reason, we'll need to cancel the Informal Hearing and reschedule it.

Sorry about the inconvenience for this extra step.
We really appreciate you getting this all done for us!

John
