Additional updates or modifications to the permit include introductory, legal, financial, compliance information, environmental, operation plans, and reclamation sections.

A copy the permit revision application is enclosed. A permit Table of Contents is accessible from the web browser home page. Please refer to pages 34 through 35 of Section 1.1.2 (Revision Summary Pages) for a list of Revision No. 12 proposed changes. The public comment period for Revision 12 ends on August 29, 2022.
