OIL PIPELINE TARIFF FILING

SENT VIA E-MAIL AND OVERNIGHT DELIVERY

Re: Bridger Pipeline LLC—Tariff Filing

Dear Mr. Kahl:

Bridger Pipeline LLC (“Bridger”) hereby submits for filing its oil pipeline tariff, North Dakota Tariff No. 3 to become effective on July 1, 2022. North Dakota Tariff No. 3 cancels and replaces Bridger’s current North Dakota Tariff No. 1.

Bridger is filing Tariff No. 3 for the following reasons. First, Bridger is adjusting certain of its rates in accordance with the Federal Energy Regulatory Commission’s (“FERC”) annual index. FERC issued its Notice of Annual Change in the Producer Price Index for Finished Goods, 179 FERC ¶ 61,107 (2022), which established the index adjustment applicable to the period July 1, 2022 to June 30, 2023. Second, Bridger is removing a transportation movement and the related notes from the tariff that Bridger is no longer able to physically provide and therefore is no longer available to shippers. Third, Bridger has made limited changes to the name of an origin point to coincide with Bridger’s current naming convention.

The \$50.00 filing fee is attached to this letter.

I hereby certify that, on or before this date, copies of the publication attached hereto have been sent to each subscriber by electronic service, or by other means of transmission agreed upon in writing by the subscriber.

Bridger requests that any protest of this filing be telefaxed at the time the protest is filed to Deborah Repman, fax number 713.357.6775.
