I apologize Geri, there was a miscommunication between our engineer and myself about getting back to you. Where this is at is our Board of Directors and our attorney are negotiating with OTP on a revenue agreement, since the service was installed without contacting us or the Commission. I think the earliest that will be settled will be September, however, I am confident that DVEC will not contest as it would not be in the interest of the customer as we are some distance away.

Hello!

Attached is a request from Otter Tail Power Company for Temporary Authority to extend electric service to Dennis Feiken at a location in Lamoure County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest this application.

*Have a great day!
