Hi Geri,

Dakota Valley Electric Cooperative is planning on protesting this application. The intent is to serve it out of the MISO/MDU substation, or we could provide temporary construction power from Dakota Valley's distribution line that runs adjacent to the property.

Thanks

Hello!

Attached is a request from Montana-Dakota Utilities Co. for Temporary Authority to extend electric service to Applied Block Chain (Data Processing) at a location in Dickey County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest this application.

Have a great day!

Geri
