Re: Missouri Valley Communications, Inc. – Subscriber Line Extension revision to Exchange Services Tariff

Dear Mr. Nitschke:

Missouri Valley Communications, Inc. is updating its Subscriber Line Extension terms and conditions. Enclosed please find the revised tariff sheets to our Exchange and Network Services Tariff for Section 6, pages 6, 7 and 8.

Enclosed are two copies of each of the above referenced Missouri Valley Communications, Inc. tariff pages, effective October 21, 2022. One copy is for the Public Service Commission and one is to be date stamped and returned for us to document our filing. A self-addressed stamped envelope is enclosed for the return copy.

An electronic copy has been submitted to ndpsc@nd.gov.

If you have any questions or need additional information, please contact me at 406-449-3214 or via e-mail at barrowsconsulting@gmail.com

Sincerely,

Sandra Barrows

PRICE SCHEDULE

6. SPECIAL SERVICES

6.2 SUBSCRIBER LINE EXTENSIONS

6.2.1 GENERAL

A. CONDITIONS (Cont'd)

6. Cancellations

For any cancellation of services, a refund of charges will be at the discretion of the Company

7. Release & Hold Harmless agreement

A signed RELEASE & HOLD HARMLESS agreement will be required from the grantor/owner of premise property where construction is required. This Agreement shall specifically pertain, without limitation, to injury or damage occurring to or by underground lines, wires, pipelines or other underground hazards. It shall be the responsibility of the grantor to locate all underground facilities, except those owned by the Company.

8. Waiver of Aid to Construction

The Company CEO has discretion to waive any or all of the aid to construction based upon its analysis.

C

B. DEFINITIONS

1. Permanent Location

Any structure on a fixed foundation that is intended to remain in place for more than 12 months. This includes stick frame or metal frame buildings, houses, garages, vacation homes, mobile homes, modular buildings and other similar structures.

2. Temporary Location

Any structure on a mobile, skid frame or any type foundation that is not permanently fixed to a location. This includes RVs, travel trailers, job shacks, and other structures that can easily be moved.

NOTICE

THE INFORMATION CONTAINED IN THIS DOCUMENT IS SUBJECT TO CHANGE

PRICE SCHEDULE

6. SPECIAL SERVICES

6.2 SUBSCRIBER LINE EXTENSIONS

6.2.1 GENERAL (Cont'd)

B. DEFINITIONS (Cont'd)

3. Communication Facilities

Any cable, poles, conduit, microwave or carrier equipment, wire center distribution frames, central office switching equipment, etc., utilized to provide intrastate services offered under the price schedules referenced by the Price Schedule.

6.2.2 INDIVIDUAL SUBSCRIBER

A. CONDITIONS FOR PERMANENT LOCATION

1. Construction Costs

The construction cost estimate is based upon the cost of cable and other materials, labor and electronics as of the time the estimate is written.

Costs for obtaining any necessary permits, easements, surveys and/or right-of-way will be included in the project estimate. In certain circumstances, the Company may require that the requestor acquire these facilities. See Section 6.2.1.A.2.a.

The estimate is good for 90 calendar days.

2. Service Line Installation Allocation

The Company will cover the cost of service line installation up to \$3,000. Any additional costs over \$3,000 will be included in the aid to construction estimate for consideration of a contract.

- \$3,001-\$4,200. Signed 1 year contract for \$100/mo worth of Company services.
- \$4,201-\$5,400. Signed 2-year contract for \$100/mo worth of Company services.
- \$5,401-\$6,600. Signed 3-year contract for \$100/mo worth of Company services.
- \$6,601 and over to be paid in full prior to construction.
- *Option to pay ATC in full in lieu of contract.*
- *Remainder of Contract to be paid in full if service is disconnected before contract expires.*
- *Promotional discounts not available while under contract.*

PRICE SCHEDULE

6. SPECIAL SERVICES

6.2 SUBSCRIBER LINE EXTENSIONS

6.2.2 INDIVIDUAL SUBSCRIBER (Cont'd)

A. CONDITIONS FOR PERMANENT LOCATION (Cont'd)

3. Temporary Service Line

Where feasible, the Company will place a temporary service line to the subscriber location at no additional cost when current conditions prevent the installation of a permanent service. The Company will maintain the temporary service line until a permanent service line is constructed.

T
