**NOTICE OF OPPORTUNITY FOR CONSOLIDATED HEARING**

**October 27, 2022**

On October 10, 2022, applications for modification of Order were filed by: Northwest Dakota Cellular of North Dakota Limited Partnership; North Central RSA 2 of North Dakota Limited Partnership; North Dakota RSA No. 3 Limited Partnership; Badlands Cellular of North Dakota Limited Partnership; and North Dakota 5 – Kidder Limited Partnership, all d/b/a Verizon Wireless. Verizon Wireless seeks to eliminate Order Paragraph 8 from the Commission's original Order granting eligible telecommunication carrier status to each entity dated October 22, 2003. Order Paragraph 8 requires each entity to file quarterly reports to the Commission describing the status of its wireless E-911 implementation in North Dakota.

The issues to be considered in these proceedings are:

1. Should the Commission eliminate the requirement to file quarterly E-911 implementation reports?
2. Is there other relevant information the Commission should consider?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding
