Re: APH Farms, et al. vs.
North Dakota Public Service Commission, et al.

Case No. 08-2024-CV-03622

Notice of potential conflict of interest/perceived bias

There is a potential for a perceived concern of bias in the matter of APH Farms, et al. vs. North Dakota Public Service Commission, et al.

The case has been assigned to Judgeship No. 1 in the South-Central Judicial District to which the Honorable Marina Sphar has been appointed. I worked closely with Judge Sphar while I was employed by the Burleigh County States Attorney's Office. Judge Sphar was my direct supervisor and mentor, I have had a continued friendship with Judge Sphar, I volunteered assistance during her campaign, and in her appointment for District Court Judge.

While I am not directly involved with the ongoing appeal, I made filings in the case early on regarding protection of information. I do work with Mr. Pelham and PSC staff regarding the ongoing appeal while discussing the case and ongoing strategies as I am currently the only attorney on staff.

I wanted to make Judge Sphar and all parties involved of the potential conflict of interest/perceived bias.

Best regards,
