Hi Geri!

I kind-of thought you might not know, but I gave it a shot because Colleen doesn't work here anymore and I wasn't sure! But no worries, I talked with our marketing coordinator, and she merged the map with the text so it is one 3 column display ad and we can publish that! I have just ordered them in all papers requested, and have attached the estimate so you can see which exact dates they will run.

Thank you!

Hi Liz!

I don't know how these have been processed on your end as Colleen always took care of that part, so that may be a question for her.

I know that we did one for this case back in February, so may be you could look back in your records to see how it was done.

Hi Geri,

How have these orders been done with you in the past? The map is a display ad, and the other is a line ad so I'm not quite sure how to create the order
