**RE: Case No. PU-22-391
SCS Carbon Transport LLC
Midwest Carbon Express Project**

Dear Mr. Kahl:

At the May 9, 2023 public hearing in the above-referenced matter, Commissioner Haugen-Hoffart requested certain information from one of SCS's witnesses, Mr. John Godfrey, Senior Principal Consultant, Integrity Solutions at DNV GL USA, Inc. ("DNV"). In response to said requests, SCS submits the following:

1. *Please advise if any DNV representatives will be in attendance at the May 31-June 1, 2023 carbon dioxide (CO₂) pipeline safety public meeting and forum in Des Moines, Iowa held by the Pipeline and Hazardous Materials Safety Administration (PHMSA).*

RESPONSE: Nine (9) DNV employees, including Mr. Godfrey, are registered to attend the May 31-June 1, 2023 PHMSA public meeting and forum in Des Moines, Iowa.

2. *Has the video submitted and marked as Exhibit W160 (Norway Pipeline Plume testing video) been edited or modified from the original version created and posted by DNV on its website?*

RESPONSE: The video submitted and marked as Exhibit W160 appears to be un-doctored; however, please note that DNV sped up the playback speed part way through the video (an '8x' caption appears bottom left). This has the effect of making the video look more violent during the sped-up portion. Due to unauthorized reproduction of the subject video, DNV has removed the video from its website.
