Lawrence:

As you know, a second hearing day has been scheduled by the PSC in relation to the above-referenced case. In that regard, we will be presenting our witnesses and additional evidence at the hearing.

We request that Summit provide to us the following information no later than April 15:

1. A list of the investors in the Summit pipeline, the amount of their investment, the date the investment was made, and the way the investment was made, whether by a pledge, a payment, security, written commitment to invest, or otherwise; and
2. All documents which reflect the items described in item No. 1.

This information and the requested documents are relevant to the issues to be addressed by the PSC commissioners. However, if Summit takes the position some of all of this information will not or cannot be produced, please promptly so advise so we can take any necessary steps we deem advisable.

Thank you for your cooperation.
