

North Dakota Public Service Commission
SCS Carbon Transport LLC
Case No. PU-22-391
Response to Commission's Supplemental Information Request 3.1.1

January 29, 2024
Page 1 of 1

Updated Table 2.1.2: Facilities		
PROJECT FACILITIES	PERMANENT	TEMPORARY
Pump Stations	4	--
Launcher-Receivers	3	--
Mainline Valves ¹	34	--
Access Roads	33	42
Notes		
¹ Twenty-five mainline valve (MLV) sites will be standalone and nine MLV sites are located within the permanent footprint of other facilities (e.g., pump stations or launcher-receiver sites).
