ORDER GRANTING PETITION FOR INTERVENTION

[1] On March 27, 2024, Mitch Kertzman and Julie Streamer (Kertzman Farm Trust), Emmons County filed a Petition to Intervene in the above referenced case.

[2] North Dakota Century Code § 28-32-28 addresses intervention in adjudicative proceedings and provides:

An administrative agency may grant intervention in an adjudicative proceeding to promote the interests of justice if intervention will not impair the orderly and prompt conduct of the proceeding and if the petitioning intervenor demonstrates that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of statute or rule. The agency may impose conditions and limitations upon intervention. The agency shall give reasonable notice of the intervention to all parties. An administrative agency may adopt rules relating to intervention in an adjudicative proceeding.

[3] The North Dakota Public Service Commission (Commission) has adopted its own rules relating to intervention. The Commission's rule on intervention provides in part as follows:

Any person with a substantial interest in a proceeding may petition to intervene in that proceeding by complying with this section. An intervention may be granted if the petitioner has a statutory right to be a party to the proceeding; or the petitioner has a legal interest which may be substantially affected by the proceeding, and the intervention would not unduly broaden the issues or delay the proceeding. The commission may impose conditions and limitations on an intervention to promote the interests of justice.

1. Contents of petition to intervene. A petition to intervene must be in writing and must set forth the grounds for intervention, the position and interest of the petitioner in the proceeding, what the petitioner would contribute to the hearing, and whether the petitioner's position is in support of or in opposition to the relief sought.

....

N.D. Admin. Code § 69-02-02-05.

[4] On April 4, 2024, SCS Carbon Transport LLC (Summit) filed a Response to the Petition to Intervene. Summit does not object to the Petition but objects to the purpose, or scope, of the matters to which Intervenors may address. Summit objects to the Intervenors addressing any issues outside the jurisdiction of the Commission such as private easements, eminent domain, safety compliance with PHMSA construction and operation, and permanent sequestration and storage of carbon dioxide and matters outside the August 4, 2024 Commission Order.

[5] The Commission issued a Notice of Public Hearing on March 21, 2024 for three additional public hearings in the above referenced matter. The Notice indicates that the hearings are to:

address the proposed route adjustments and supplemental filings and deficiencies noted in the Commission's August 18, 2023 Order and include the following questions:

1. Will construction, operation, and maintenance of the facility at the proposed location produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Is the proposed facility compatible with environmental preservation and the efficient use of resources?
3. Will construction, operation, and maintenance of the facility at the proposed location minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

PSC Doc. 465.

[6] The Petition sets forth the grounds for intervention, the position and interest of the Intervenor, what the Intervenor can contribute to the hearing, and the Intervenors' position with respect to the relief sought by the applicant. The Intervenors have presented sufficient information

to satisfy the statutory intervention requirements set forth in N.D.C.C. § 28-32-28 and N.D. Admin. Code § 69-02-02-05.

[7] Having considered the written submission of the Intervenors and the applicable statutory provisions and administrative rules, **IT IS HEREBY ORDERED:**

[8] The Petition to Intervene filed by Mitch Kertzman and Julie Streamer (Kertzman Farm Trust) is **GRANTED**.

[8] The scope of issues to be addressed in this proceeding shall be limited as set forth in the Commission's March 21, 2024 Notice of Public Hearing.
