

Jackson Township  
Sargent County ND  
Dan Delahoyde, Chairman  
April 18, 2024

I understand that you do not have our zoning regulations at the state level. I sent copies of our zoning to the Public Service Commission January of 2023 as well as to the auditor's office at the Sargent County courthouse as soon as I got the letter in the mail stating all zoning had to be submitted.

A handwritten signature in black ink, appearing to read "Dan Delahoyde". The signature is fluid and cursive, with the first name "Dan" being more prominent and the last name "Delahoyde" written in a continuous, flowing script.
